

Proposed Change to KCOM Line Rental Reference Offer

Under clause 14.2 of the [KCOM Line Rental Reference Offer](#) (the **Contract**), KCOM is proposing to reduce the notification period for price increases under the Contract from 90 days to 28 days so that the wording from the start of clause 13.2 to the end of clause 13.2(a) of the Contract reads as follows:

“13.2 KCOM may from time to time vary the Charges for the Services by issuing an Access Charge Change Notice to the CP. Such new charges shall take effect:

13.2(a) not less than 28 days after the Access Charge Change Notice for price increases relating to rental charges for Analogue Exchange Lines, ISDN2 Exchange Lines and ISDN30 Exchange Lines.”

Under clause 14.2, if no objections are made to the proposed changes within 28 days of the service of this notice (which includes publication on KCOM’s website and notification of all interested Communications Providers), the change shall take effect from the proposed effective date, which is 4 January 2023.
